COVID UPDATE: "The Apostle Paul says, "not looking to your own interests but each of you seeking the interest of one another." So it is in the spirit of seeking the good of others, we need to protect the elderly, the immunocompromised, and the children too young to be vaccinated.

While there is no guarantee that one will avoid illness from COVID, medical science acknowledges that social distancing, wearing a mask, and vaccination help to mitigate the impact of COVID.

Due to the recent resurgence of COVID 19 infections in Davidson County, we encourage everyone to wear a mask and socially distance, and talk to your physician about vaccination and thereby showing the spirit of Christian humility as stated by Paul. We will continue to monitor the information closely and look forward to a quick return to an easing of restrictions."

Bread of Life

I am the living bread that came down from heaven. Whoever eats of this bread will live forever; and the bread that I will give for the life of the world is my flesh." The Jews then disputed among themselves, saying, "How can this man give us his flesh to eat?" So Jesus said to them, "Very truly, I tell you, unless you eat the flesh of the Son of Man and drink his blood, you have no life in you. Those who eat my flesh and drink my blood have eternal life, and I will raise them up on the last day; for my flesh is true food and my blood is true drink. Those who eat my flesh and drink my blood abide in me, and I in them. Just as the living Father sent me, and I live because of the Father, so whoever eats me will live because of me. This is the bread that came down from heaven, not like that which your ancestors ate, and they died. But the one who eats this bread will live forever."

John 6: 51-58
