You have made many decisions that led you to be present at Grace Church at this time, so we know that it's part of God's plan for you. Our hope is that you experience God, find loving relationships and look through the bulletin for those events that will draw you closer to Him and our church. Why is this passage important to those who could be killed for choosing Jesus?

For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. Nothing in all creation is hidden from God's sight. Everything is uncovered and laid bare before the eyes of him to whom we must give account. Therefore, since we have a great high priest who has ascended into heaven, Jesus the Son of God, let us hold firmly to the faith we profess. For we do not have a high priest who is unable to empathize with our weaknesses, but we have one who has been tempted in every way, just as we are—yet he did not sin. Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need. Hebrews 4:12-16
